

articulate young adults who enthuse about life. We aspire to instill wisdom, strength, stamina and daring with which to tackle all life's challenges.

The Daily Telegraph describes S. Anselm's as "one of the very best prep schools in England" providing 280 boys and girls with a traditional but forward thinking education in an "exceptionally happy school".

The safe, homely and family environment in stunning Derbyshire countryside lends itself to superb opportunities for the strong 'home from home' boarding community. They delight in the strength and breadth of the activities programme and our unrivalled facilities, whilst being supported emotionally and academically by the School's dedicated pastoral team.

Despite having no academic entry requirements, at 13 more than half our pupils win a scholarship which is a tribute to the quality of the teaching at the school and the small average class sizes. We excel in the classroom and far beyond in sport, the arts, music and drama. We would love to meet you and encourage you to come and see us in action. GRIMSBY CRAMMER COURSE

The 25th Grimsby Crammer Course will start on Monday 7th April at St. James' School, Grimsby. The course offers a unique opportunity for students to experience an intensive period of revision over six days, immediately prior to the external examinations.

All classes are small and the tutors combine a wealth of experience and expertise with great enthusiasm. Many have been with the course from the start. Some come from the local area but others are recruited from other parts of the country. All are chosen for their inspirational qualities.

The course gives the student a boost at the right time, with many reporting an increase in confidence and subsequently a higher pass rate.

ST. MARY'S PREPARATORY SCHOOL

St. Mary's Preparatory School is a happy, thriving IAPS co-educational day school for children aged two-and-a-half to eleven. Located in the shadow of Lincoln Cathedral, the secure, enclosed site contains spacious gardens, modern classrooms, multi-media computer facilities, a large Astroturf and a multi-purpose hall. Our Early Years department has just been awarded the coveted "outstanding" grade by Ofsted. There is a full, exciting programme of extra-curricular activities, inclusive educational outings and residential trips to Walesby, France and Northumberland, an excellent teacher:pupil ratio, small class sizes and specialist subject teaching, all of which ensure that children at St. Mary's are valued as individuals and receive an enviable academic and all-round education. The popular "After School Club" provides busy parents with a safe and friendly environment in which their children are cared for until collection and it is possible to drop pupils off from 7.45am if required.

Please come to visit St. Mary's and experience the unique atmosphere. We would be delighted to meet you and you will be guaranteed a warm welcome. For further details, telephone 01522 524622 or visit www.stmarysprep.co.uk
