

Back to School

Take a look through our comprehensive Education Guide for information on schools within the area at nursery, primary and secondary level.

FOREMARKE HALL

Foremarke Hall is a day and boarding preparatory school set in the fifty acre grounds of an eighteenth century Palladian mansion in South Derbyshire, within easy reach of the A50 and M1. As the preparatory school to nearby Repton, providing high quality education for pupils aged 3-13, Foremarke has an excellent reputation for high academic standards, a broad-based curriculum and outstanding facilities. These include our four boarding houses, extensive libraries, school-wide computer network, spacious art studio, dedicated music rooms, design technology workshop, 180 seat theatre, six-lane 25 metre indoor swimming pool, floodlit astro turf

pitch for hockey, tennis courts and large sports hall as well as numerous grass pitches for cricket, football and rugby.

Foremarke prepares boys and girls for Common Entrance and Academic Scholarship to public school at 13+ and also has an outstanding record of awards at 13+ for art, drama, IT, design technology, sport and music.

We aim to encourage children to use their minds well, to understand that with privilege comes responsibility and to make wise judgments. In addition, we believe that children need time and space – and at Foremarke there is plenty of both – to grow up!

Imagine a place where children are helped to challenge themselves.

Imagine a place where it is understood that development of character is as important as acquisition of knowledge.

Imagine a place where respect and responsibility are a normal part of the everyday actions of both teachers and children.

Imagine a place where children are helped to be the best they can.

You will find all these things in our accredited Montessori nursery and school.

RED HEN CHILDREN'S DAY NURSERY

Red Hen Children's Day Nursery is a fabulous childcare facility, providing outstanding early years care and early years education for babies to five years. The nursery promises Quality of Life for all its children in specially converted farm buildings in which a friendly family atmosphere is evident. The setting values children as individuals and each child is nurtured and supported by a special team of friendly, specially qualified staff. The setting boasts many play and learning opportunities both indoors and outdoors, with lots of access to nature and outdoor play in the adjoining paddocks. Interacting with animals, participating in woodland play and nature walks are a normal part of

LINCOLNSHIRE MONTESSORI

We have a completely different approach to learning. Our nursery and primary school follows the principles of Dr Maria Montessori – an educational approach which puts the needs of the individual child at the heart of the curriculum. Providing care and education from birth to eleven, we offer full time and part time nursery places, a day school and out of school care.

Imagine a place where children want to come to school because the things they do are all the things they want to do.

Imagine a place where children learn effortlessly because they are free to explore the things that interest them for as long as they want to.

everyday life at Red Hen. Children's learning and development benefit from the many activities, including learning about good food for which the setting has gained a national award.

Children at Red Hen gain sound foundations and skills which help them in their move to various schools in the locality. A visit is thoroughly recommended.

QUEEN ELIZABETH'S HIGH SCHOOL

Queen Elizabeth's High School is an 11-18 co-educational selective Grammar School situated on Morton Terrace, receiving its charter in 1589.

Entry to the school is via an 11+ test which is common to all Grammar Schools across Lincolnshire. Students from outside of the county can register for the test by contacting the school at any time during the school year. The tests themselves are taken in the primary schools for Lincolnshire schools or over two Saturdays in early September of Year 6 for all other students. The 11+ selects the top 25% of the cohort. Once a student is found to be in the top 25%, places are allocated according to the Lincolnshire agreed code, not by ranking the scores.

The school was rated as outstanding by Ofsted in 2008 and provides education of the highest standard for students for whom a more academic curriculum is better suited. Our exam results are certainly impressive but the school aims to develop students who are not only academically strong but who are also able to go on to follow successful careers and fulfilling lives by developing the whole individual. Our students enjoy their learning in a school which is both challenging and supportive.

S. ANSELM'S SCHOOL, BAKEWELL

S. Anselm's is one of the country's leading prep schools. From nursery age to 13, we provide co-educational

full boarding and day in a happy and thriving environment. Children are encouraged to give their best and to flourish amidst traditional values.

We prepare children for their journey through life, equipping our boys and girls with the wisdom and skills to succeed. We look to do so in a fun and engaging way, whilst encouraging good manners and humanity. Our aim is to develop personable, well-mannered, self-confident and articulate young adults who enthuse about life. We aspire to instill wisdom, strength, stamina and daring with which to tackle all life's challenges.

The Daily Telegraph describes S. Anselm's as "one of the very best prep schools in England" providing 280 boys and girls with a traditional but forward thinking education in an "exceptionally happy school".

The safe, homely and family environment in stunning Derbyshire countryside lends itself to superb opportunities for the strong 'home from home' boarding community. They delight in the strength and breadth of the activities programme and our unrivalled facilities, whilst being supported emotionally and academically by the School's dedicated pastoral team.

We would love to meet you and encourage you to come and see us in action. Please ring the Headmaster's Secretary on 01629 812734 to arrange a visit.

YARBOROUGH SCHOOL

Yarborough School has been a Business & Enterprise School since 2003 and is a mixed 11 - 18 comprehensive school which includes a successful Sixth Form. Our staff work hard to create a supportive environment in which students feel happy, secure and cared for. The accreditation has widened the resources available to our students and allows us to work in partnership with other schools in the area, throughout the country and more latterly,

throughout the world.

All students in every year group benefit from the Business and Enterprise Specialist School status and Enterprise Education is a wonderful way of motivating young people into taking an actual part in their education. The focus is on contextualising learning so that our young people understand when and why some subjects are taught and equally when and why some behaviours and attitudes are desirable for success in the world of work. Yarborough students enjoy significant success because in this way, they understand the value of learning and positive attitudes for their future career and prosperity and happiness.

We believe strongly in providing a stimulating learning environment which students can learn in an enjoyable, exciting and focussed way. The school is committed to enabling students to succeed regardless of their preferred learning pathway. It is down to this varied and personalised approach, Yarborough has become an outstanding school.

GRESHAM'S SCHOOL

GRESHAM'S

Gresham's School in Holt, North Norfolk is a co-educational day and boarding school for girls and boys aged between 3 and 18. Our pre-prep, prep and senior schools offer a seamless education, taking pupils from the early years classroom through to A levels and the International Baccalaureate Diploma.

Our academic results are excellent and our commitment to the arts and sports ensure that each child can find a path to success in all fields and at all levels. Our goal is to help pupils attain their full potential, and our broad curriculum and superb facilities add to the enriching experience, helping pupils to produce consistently exceptional results.

We believe that happy children are successful learners and throughout the Gresham's Family of Schools there is a commitment to the well-being and care of our pupils. Nine boarding houses

provide a framework for the life of the school and the boarding ethos builds strong community spirit for the benefit of day and boarding pupils alike.

Our students leave us as quietly confident and capable young adults ready to take on the challenges and choices of the modern world.

CAISTOR YARBOROUGH SCHOOL

Caistor Yarborough School, a Specialist Arts College, is a rural, mixed comprehensive school set in a stunning location on the edge of the Lincolnshire Wolds.

Our school prides itself on the fact that 'Every One Matters' and there have been huge success for everyone in the school this year. Some of the highlights are that in August Year 11 students achieved the best results in the school's history:-75% 5 A*-C, 56% 5 A*-C including English and Maths and 99% of students achieved 5 passes at A*-G.

In October we also celebrated in red carpet style and collected three major awards at the LAFTAs, Lincolnshire's equivalent of the BAFTAs. The ceremony attracted over fifty entries from around the county. We were shortlisted for four categories, winning three of them; Best Concept, Best Overall Film and Best Film Contribution. The film project, funded by CFBT, enabled students to work with professional film makers.

Additionally at the December school Newspaper Awards our team arrived at Lincoln University hoping to win an award. Imagine their amazement when they won three: Best News Story, runners up Best Sports Story and best overall newspaper.
