

Any lengths

Say goodbye to floor length when it comes to Mother of the Bride dresses. Plenty of different hemlines are popping up, mainly due to the huge variety of different wedding styles and venues these days. We're seeing plenty of cocktail-length, knee-length, and handkerchief hems, as well as hi-lo dress lengths. (High in the front, long in the back). At the knee, or slightly above the knee is as high as you want to go. Remember: All these new hemlines give you one more reason to wear some fabulous, head-turning shoes!
