

The joy of open-top driving

The new A5 Cabriolet is a real Audi – and a particularly exciting one at that. The four-seater with the elegant soft top combines its sporty character with the joy of top-down driving, superior comfort and great everyday utility. Five engines and a wide range of high-end options are available.

AUDI Q5

The Q5 is the performance SUV from Audi. It combines the dynamism of a sports sedan with a highly variable interior and wide-ranging talents equipping it for leisure activities and family life. The Audi Q5 is the perfect car for an active lifestyle.

THE AUDI A4 ALLROAD QUATTRO

A vehicle that knows no boundaries: Audi is launching the A4 allroad quattro. With its permanent all-wheel drive and increased ground clearance, the A4 can handle any road or trail; it also offers driving pleasure – even on unpaved surfaces.
