## Davidsons opening provides a haunting experience

*There were spooky goings-on out at Rauceby recently but there was nothing haunted about the house being visited by Sleaford Mayor Councillor George Grout and a stream of other guests.*

The Mayor and his wife, Alice, officially opened a new homes development in the village which is the first project to be undertaken in the area by pioneering new construction group, Davidsons. In true Halloween style, the group marked the

event by handing out Davidsons' 'Trick or Treat' bags, as well as decorating the site with a ghostly theme. Those who looked around the site were then invited to warm up in the marketing suite with mugs of hot chocolate and other refreshments.
